- co-work with the other hosted volunteer,
- give language lessons to the kids from the children's home
- organize different free-time activities together with the staff for all the member of the Youth centre.
- to help with computer instructions, guide the children to use internet in correct way,
- spread information about EVS and Youth in action program. Sharing own personal experience as a volunteer – in the local schools

## What the volunteer will get:

- Language lessons (Slovak or Hungarian – he/she can choose)
- Nice atmosphere in the Youth Centre – with a good team
- Possibility to travel (there are 3 capitals very close: we are just between Budapest, Bratislava and Vienna)
- Nice accommodation with own room – kitchen and bathroom is shared with the other volunteer
- 245.-Euro/month (pocket money and food allowance)

## And the most important:

- Learning a lot about different cultures, people, habits, etc.
- Gaining a lot of experiences, which one cannot learn from books, neither in the schools
- Finding new friends from all over Europe, and also some other countries (on-arrival, mid-term meetings)
- And a lot of other things...
